Inbox

Inbox

Il programma **Inbox** è la soluzione ideale per ogni problematica di archiviazione e classificazione; un'ampia gamma di elementi componibili e personalizzabili definisce l'ambiente ufficio **ottimizzando** lo spazio occupato, **organizzando** efficacemente documenti e materiali di lavoro.

Inbox is the ideal solution for all filing requirements. A large selection of accessories allow the **customisation** of appearance and space utilisation, as well as **organising** all documents and materials in the working office.

La funzionalità, l'attrezzabilità interna, la coordinabilità sono i punti di forza della serie **Inbox**, senza per questo rinunciare ad un **design** sobrio e lineare che si lega armonicamente agli arredi cui viene affiancato.

*Inbox is characterised by its sober **design** which makes it well suited to work with all desking solutions.*

Contenitori coordinati ai piani

Storage units to match desktops

I contenitori della serie **Inbox**, realizzati in acciaio verniciato a polveri epossidiche, sono disponibili in un'ampia gamma di colori.

Le dimensioni previste sono: 80/100 cm di larghezza per 45.5 cm di profondità in 4 altezze (74.3, 110, 145.9, 188).

*The **Inbox** range is constructed entirely in mild steel, powder coated in a vast selection of standard or customer own colours.*

Standard sizes are 80/100 cm wide, 45.5 cm deep, and 4 heights (74.3, 110, 145.9, 188).

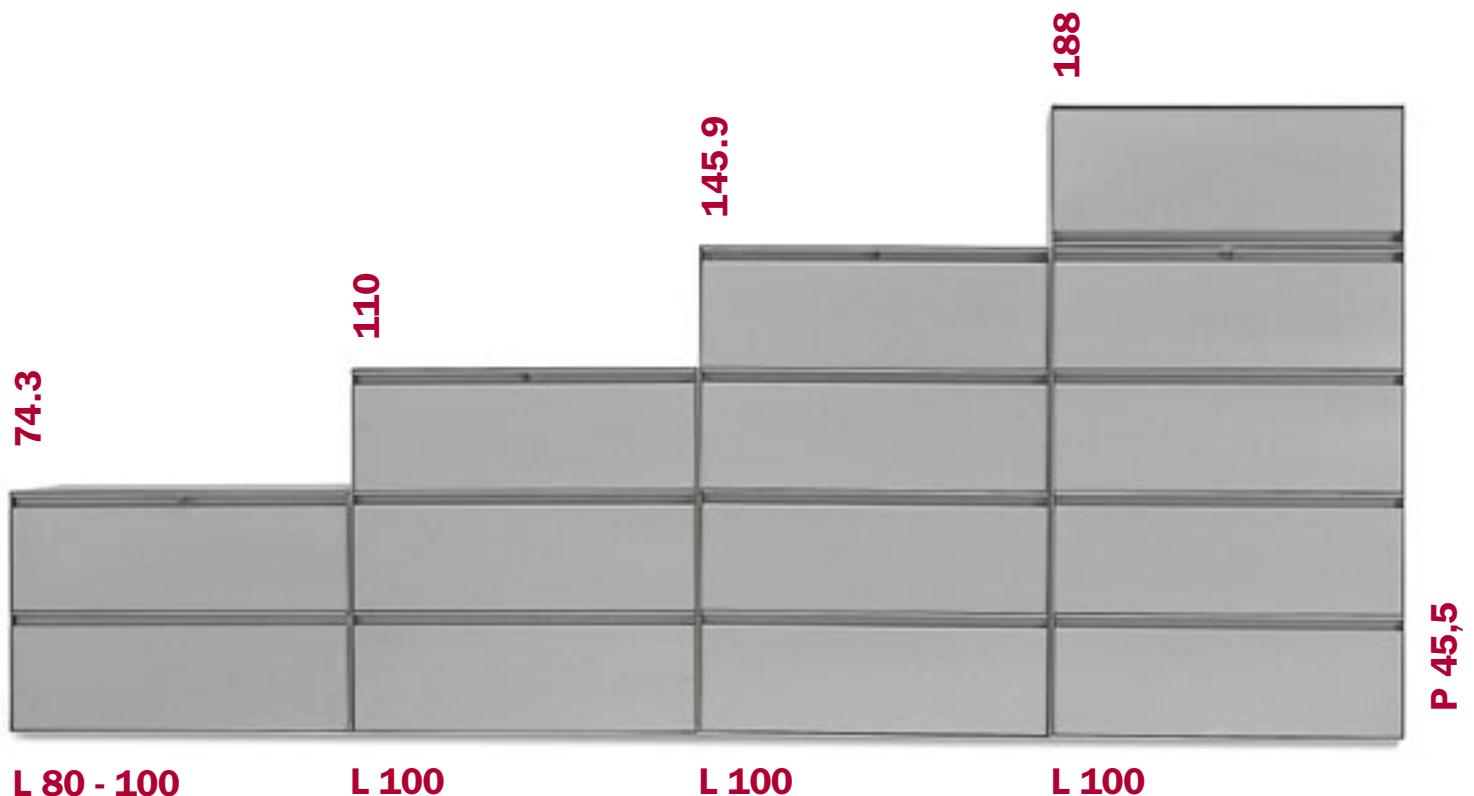

Le altezze della serie **Inbox** sono **totalmente coordinabili** con i piani e le partizioni Faram, per garantire una scansione orizzontale dello spazio omogenea.

*The heights of the **Inbox** storage are **totally coordinated** with the Faram desk and partition ranges, in order to create a uniform design scheme.*

La **messaggio in bolla** può essere effettuata agevolmente anche con il contenitore già montato.

Levelling can be achieved even whilst the unit is in use.

I contenitori Inbox si possono **aggregare** alle scrivanie Faram per comporre aree di lavoro complanari.

*Inbox cabinets **can combine** with Faram desks to make larger working areas.*

Telai portacartelle estraibili provvisti di sistema **antiribaltamento**, ripiani spostabili reggicartelle, targhette identificative, top in melaminico o in essenza e altri **accessori** permettono di **personalizzare** e **attrezzare** liberamente i contenitori Inbox. I telai portacartelle sono sempre provvisti di fondo.

Pull out filing frames and drawers, adjustable shelves, modular labels, tops in laminate or wood veneer, backs in fabric, laminate or wood veneer, sloping tops and other accessories allow you to freely personalise the storage units. The filing drawers are always complete with bottom.

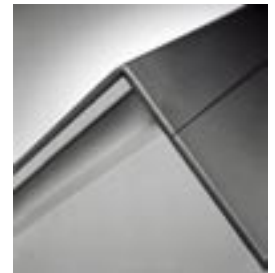

Gli elementi che compongono i singoli Inbox (cassoni, ripiani, ante) possono essere **verniciati con colori differenti**. Per le ante e i frontali dei cassettoni è prevista anche la finitura in melaminico.

*The components of a single Inbox cabinet (i.e. shelves, doors or structure) can be **coated in different colours**. Doors and front panels of drawers can also be in melamine finish.*
