

FARAM

Cell

Cell is comfortable and refined with its particular Design. Ideal for an office foyer, reception, lounge or waiting area, Cell is supported by a chromed steel frame or by 4 cylindrical aluminum legs. Versions in chaise, two seat sofa, or three seat sofa.

For interiors that require sober elegance, Cell is characterized by its chrome metal tubular frame. Armrest and back are same formed to the height enveloping in comfort. Chaise and sofas entirely upholstered in fine leathers.

The practical end coffee-table and the three seat bench with interchangeable pillows complete the collection.

Faram can introduce modifications for the improvement of the product without prior notice. Finishes to be referred to Faram dedicated information.
